

Bible Basics
MAYFAIR KIDS MINISTRY

HOW TO'S & FAQ'S

What is Bible Basics? Bible Basics is a family-centered Bible memorization program that can jump start regular practices of family Bible study.

How is it different than Bible Memory Challenge? Bible Memory Challenge is a time-honored tradition at Mayfair that encourages children to memorize the Bible throughout the school year. Children memorize different verses/facts for different grade levels. Unlike Bible Memory Challenge, Bible Basics is designed for the whole family to study and memorize the same set of scriptures together. Our prayer is that this study will jump start meaningful discussions that will lead to application.

Who Can Participate? All Mayfair Kids families are encouraged to participate.

What is a Bible Basics set? Each Bible Basics set covers a different theme from scripture. These sets are curated to encourage theological discussion with your family and help aid in application.

If each set is meant to cover an entire year, why does it seem short? The goal of this program is to unpack God's word together as a family. We want our families to better understand the meaning of these scriptures and to dive into the story of which they are a part.

How do I complete a set? To complete a Bible Basics set, each child in your family will need to recite each month's passage to one adult at home and one adult at church (any adult at church i.e. Bible Class Teacher). There is a spot for each adult to initial on the set's log.

Who needs to complete a Bible Basics log? Each child that participates in Bible Basics needs to complete the log for the set they have chosen.

Can my family memorize these scriptures using a different version/translation of the Bible? Yes. The Mayfair Kids team has picked versions for each scripture that we believed to be age-appropriate and easy to memorize, retain, and apply. Your family is welcome to use the version given or choose your own.

Can my older children who have aged out of Mayfair Kids ministry participate? Since the point of Bible Basics is for families to study the Bible together, older siblings are welcomed and encouraged to participate. They do not have to complete a log.

Which set should my family and I choose? Each school year, Mayfair Kids will emphasize a particular set, however it is up to you which of the sets you choose to study with your family.

Why should I participate? We hope that you will see the value in this program and what it could jump start for your family. We want our people to have God's Word written on our hearts. We want these scriptures to shape our lives.
