Salvation has three tenses: past, present, and future.

- You HAVE BEEN justified. The moment of conversion; repentance in baptism. We are declared righteous.
- You ARE BEING sanctified. This is the ongoing work of the Spirit to make us what God has already declared us to be: righteous in His eyes.
- You WILL BE glorified. This is the future, final transformation toward which the Spirit is working, culminating in Christlikeness. (Luke 6:40; 1 John 3:2; 2 Peter 1:4; Gal. 4:19; Eph. 4:12-13)

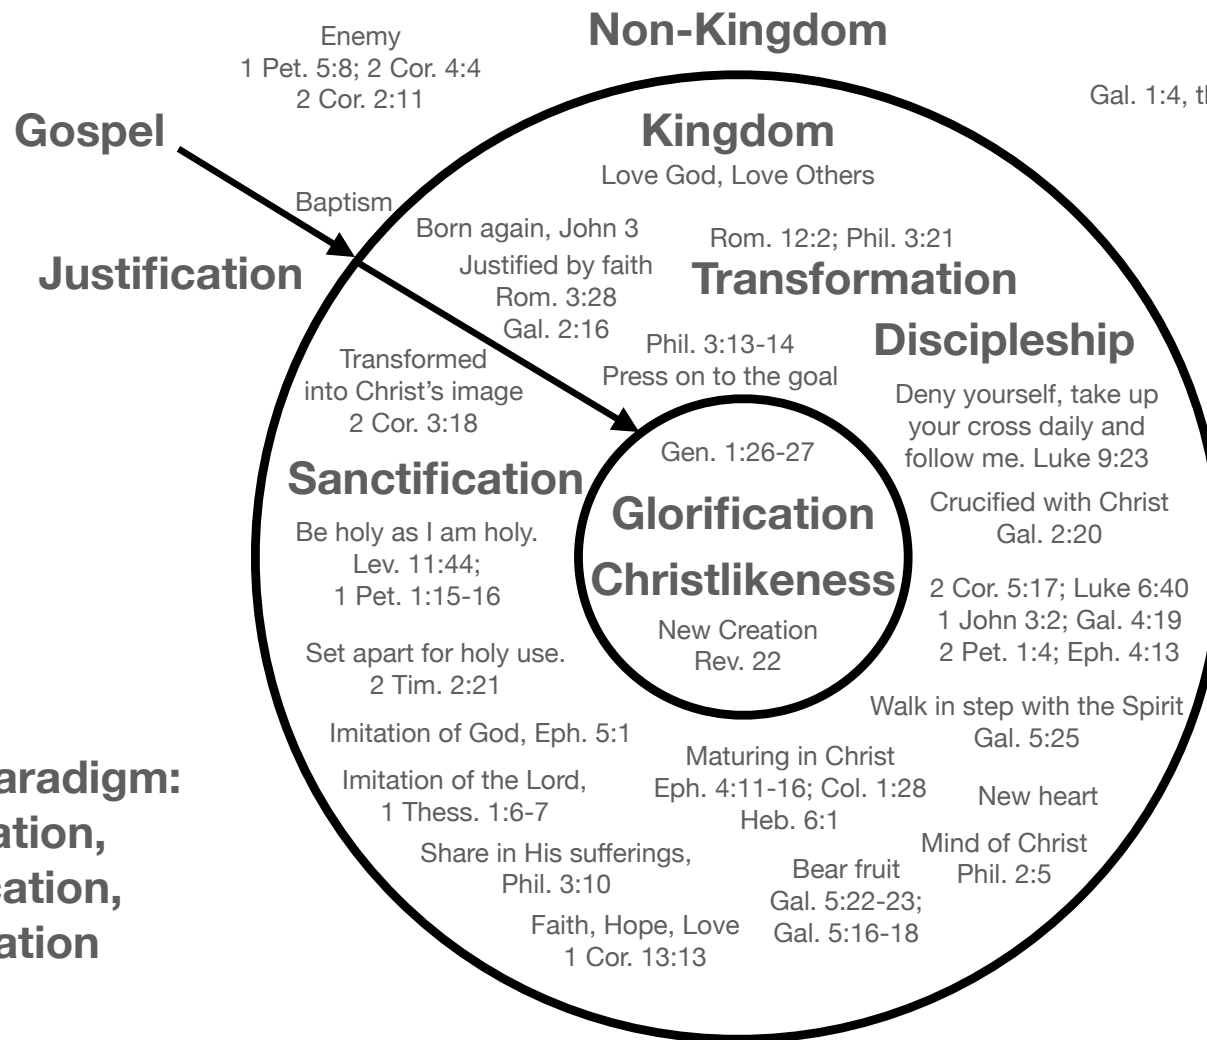

Leviticus 9:22

Then Aaron lifted up his hands toward the people and blessed them, and he came down from offering the sin offering and the burnt offering and the peace offerings.

- Sin offering: mandatory atonement for sin; blood sprinkled on altar, purifies the people.
- Burnt offering: voluntary, complete consumed on the altar, sacrifice turns into smoke.
- Peace offering: consecration of a covenant meal between two or more parties in the sight of the Lord.

These offerings correspond to the theological categories of Justification / Sanctification / Glorification:

- **Sin offering = Justification.** Atonement for sin by identifying with the blood of Jesus (our sacrifice).
- **Burnt offering = Sanctification.** Sacrifice is literally transformed (smoke), just as we are transformed as the Spirit makes our bodies living sacrifices (Rom. 12).
- **Peace offering = Glorification.** Eternity as the Messianic banquet of covenant fellowship.
