## **WORSHIP MINISTRIES**

**WORSHIP MINISTRY - Lee Milam   lee@mayfair.org   256.658.4108**

Mayfair's worship ministry encompasses a wide variety of individual ministries that are required to make Sundays a special day for the Mayfair family. Our mission centers around servant leadership to the Mayfair family, our guests, and all who come to the Mayfair campus on Sundays seeking an opportunity to worship God in community. Over 100 volunteers are required on a weekly basis to serve our Sunday gatherings.

There are many ways you can support this important and rewarding ministry: leading prayer, reading scripture, leading singing, singing on Praise Teams, technology, running audio and lighting, Video Streaming, Camera Operations, greeting guests and members, Valet Parking, Hospitality, Special Events, Communion Preparation, Facilities Set Up, Parking Lot greeters and much more!

**WORSHIP AV - Jim Bell   jrbell1038@gmail.com   256.651.2902**

We coordinate and schedule soundboard operators for Sunday worship service. We also provide operators for special services such as funerals and weddings. This is an opportunity to serve in a behind-the-scenes way while also contributing to a vital need in our assemblies. Due to the special needs of this ministry, a small amount of training is required.

**CONNECTIONS MINISTRY - Lane Widick   lane@mayfair.org   615.438.5684**

Visiting a new church can be a little intimidating. Where do I go for worship? Where is the nursery? What about Bible classes? If you've ever asked these kinds of questions, you know the importance of our Connect Team. Our goal is to make sure our guests have a clear path from first visit to membership and to help them get plugged in with our church family. If you're a friendly individual who enjoys meeting new people and offering encouragement and assistance, this is the place for you!

**PARKING LOT MINISTRY - Will Kistler   WillandLisa1984@outlook.com   256.655.5611**

The goal of the Parking Lot ministry is to make visitors and members feel welcomed to our congregation. We seek to be that first "friendly face" to greet our guests when they arrive on our campus. We are also on hand to provide information to visitors as well as an additional layer of security on our campus. We can always use more volunteers to join us in this ministry of welcoming our guests on Sunday mornings!

**AV SUPPORT FOR CLASSES - Nathan Riethmaier   nrieth@live.com   256.755.9961**

This ministry provides audio and visual support for Mayfair's many Bible classes, including operating sound systems in classrooms, the lobby and the gym, operating slide presentations such as Keynote or PowerPoint, and stage lighting. And we are always looking for more volunteers to assist in these areas!

**HOSPITALITY MINISTRY - Greg Smith   bamagregsmith@gmail.com   256.658.8118**

The ministry of hospitality is known as entertaining and welcoming both visitors and church family. The fellowship that results from this hospitality is a genuine way to show love for others! Jesus says in Matthew 25:40 that whatever we do for the least of people, we do for Him. 1 Peter 4:8-9 also states "Above all, love each other deeply, because love covers over a multitude of sins. Offer hospitality to one another without grumbling." Hospitality is basically Love in Action.

There are many opportunities to participate in Mayfair's Hospitality Ministry: Sunday morning coffee in the lobby at "The Gathering Spot" (brewing coffee, serving), general event planning, meal planning / preparation, decorating, set-up and take-down / cleanup.

**VALET PARKING MINISTRY - Don Mayhew   donmmayhew@gmail.com   770.448.5800**

The Mayfair Assisted Parking Ministry (MAPM) is a tremendous service to members and visitors who need assistance parking their cars. This quiet and behind-the-scenes ministry started at the old Mayfair location on Whitesburg Drive in 1991. No matter how cold, hot, wet, or dry the weather, MAPM is there to help those needing parking each Sunday. Our team realizes how important this ministry is to several of our senior Mayfair members who may be unable to attend church without this service. In addition to parking cars, our team assists with carrying packages, escorting those in need into the building, jump starting cars, assisting with tire issues, opening doors, solving minor problems and so much more. By joining this outreach ministry, you will help make it possible for a portion of our congregation to attend worship. This is also a great way to meet and form relationships with our brothers and sisters and meet new people. Many of our guests utilize this service, and your helpful attitude and smiling face will be their first contact with Mayfair. As an assisted parking ministry member, you work with a group of Christians willing to serve their fellow brothers and sisters.

**COUNTING / ATTENDANCE / USHERS - David Bell   dbell75@live.com   256.509.8162**

A church's attendance number is one way of measuring a church's health. We count attendance during Sunday service, as well as our Sunday and Wednesday classes. We also provide ushers and collections services when needed. We would welcome your assistance in this area in which you would like to help.

## **CARE AND SUPPORT MINISTRIES**

**GRIEFSHARE - Doug Smith   doug@mayfair.org   256.698.4419**

A GriefShare group is a safe, welcoming place for individuals experiencing the difficult emotions of grief and loss. Through this 13-week group, you'll discover what to expect in the days ahead and what's "normal" in grief. Since there are no neat, orderly stages of grief, you'll learn helpful ways of coping with grief, in all its unpredictability — and gain much needed support each step of the way. In this ministry, we need Prayer Warriors who will hold our groups in prayer. We also need individuals who are willing to provide refreshments for the weekly group meetings. Yet another way to help is to sponsor a \$20 workbook for participants who may be experiencing financial challenges.

**DIVORCE CARE - Doug Smith    doug@mayfair.org    256.698.4419**

DivorceCare is a safe place where caring people come alongside you as you find healing from the pain of separation or divorce. In this 13-week, video-based support group program, individuals find helpful counsel to manage this time of emotional turmoil as well as practical tools for decision-making. We need individuals who are gifted with the ability to sit with others in crisis as well as Prayer Warriors who will be committed to praying for those who are participating in this support ministry.

**MARRIAGE MINISTRY - Doug Smith    doug@mayfair.org    256.698.4419**

Our marriage ministry is in its early stages of development. We are working to provide proactive resources, events, and classes to help our marriages thrive and avoid crises. The primary work has focused on Grace Marriage over the past years but is growing to include a more ongoing and broader approach for marriages and families. We always need people to pray for our marriages, sign up for our events and classes, and support Grace Marriage. If you have a passion for healthy marriages and you'd like to be a part of this developing ministry, we'd love to have your assistance!

*Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience.*

**-COLOSSIANS 3:12-**

**LOVE & TRUTH MINISTRY - J.D. Stephens    jds1@bellsouth.net    256.724.1432**

Mayfair's Love & Truth Ministry sponsors small group meetings in a confidential setting for discussion, mutual encouragement, and prayer. Our focus is the unique challenge posed by family members and friends dealing with same-sex attraction and/or gender confusion issues. Meetings are held on the second Monday of each month at 6:45 p.m. We will reflect on Dr. Yuan's message from the Summer Seminar and the implications of "holy sexuality" for our Church and families. All are welcome.

**FUNERAL MINISTRY - Sue Bell    sue.mayfair@gmail.com    256.603.8511**

The Mayfair funeral ministry consists of a team of volunteers who are willing to assist with funerals that take place at our building. There are a variety of duties involved but mostly it's being here to love and comfort families as they grieve the loss of their loved one. It also involves greeting guests as they arrive for the visitation and/or funeral, some of whom are at Mayfair for the first time. It also involves facilitating the visitation process so that it flows smoothly and allows the family to receive as many visitors as possible in the allotted time. This ministry provides volunteers with a very meaningful, rewarding way to serve. Once you are on the volunteer list, you will be notified of a need for a team to assist at an upcoming funeral. If you are available, you will be asked to arrive 30 minutes early to receive your placement assignment. All of this is done in coordination with someone from the Mayfair staff or the funeral ministry coordinator.

## **LAMBS (Ladies at Mayfair Being Servants) & MEN OF GOD GROUPS**

**LAMBS SPECIAL ACTIVITIES - Sara Steger    srsteger@msn.com    256.509.7673**

The Special Activities Committees are appointed from time-to-time to coordinate events such as Ladies' Night Out, Game Nights, Brunches, Garden Parties, Holiday Tour of Homes, and Soul-Full Saturdays. The Steering Committee welcomes your ideas for these times of fellowship and spiritual bonding as we seek to serve the ladies of our congregation!

**TUESDAY LADIES BIBLE CLASS - Sally Smith    srsteger@msn.com    256.509.7673**

Tuesday Ladies Bible Class involves study of the Word of God, an opportunity for fellowship, and a time for sharing through prayer. This group meets September to May of each year from 10:00 am to 11:00 am at the church building. Special events include luncheons and a Fall Tea. If you are interested in using your gift of teaching to bless others, we would love to talk with you!

**IF (INTENTIONAL FRIENDSHIPS) GATHERINGS - Kim Davis    kim@steadyforlife.org    256.652.2912**

The IF (Intentional Friendship) Ministry provides a crucial point of connection for the women of our congregation. Ladies are organized into small groups and meet once a month in homes to Be a Mentor and/or to Find a Mentor. The focus is to pray for God to sprinkle people into your life who can offer wisdom and people with whom you can share wisdom. Your best place is in the middle - helping and being helped. Each woman at Mayfair has a part to play in this vital ministry!

**BRIDAL TEAS - Shannon Allen    shannonallen22@gmail.com    256-426-4699**

New beginnings are important at Mayfair! Bridal teas are held on Sunday afternoons at the church building in the Garden Room. Teas are posted in the Message Center & Mayfair NOW (our digital bulletin). Hostesses are requested to prepare refreshments and contribute towards the purchase of a hostess gift. We are always looking for ladies to serve as hostesses to encourage and serve the new brides in our congregation!

**BABY SHOWERS - Ginger Gober    gtgober@bellsouth.net    256-503-4014**

Welcome to Mayfair, little ones! Mayfair recognizes the importance of honoring these new additions to the family by hosting a shower for Mom, Dad, and their first Mayfair baby. The showers are held on Sunday afternoons in the Lobby. Showers are posted in the Message Center & Mayfair NOW (our digital bulletin). Hostesses are requested to prepare refreshments and contribute towards the purchase of a hostess gift. And we are always looking for ladies to serve as hostesses for these events! Come share in this ministry of joy!

**TREE OF LIFE QUILTERS - Gay Lynn Beard    beardgl@juno.com    256-585-0957**

The Tree of Life Quilters have been meeting together since 1990 for the purpose of sweet fellowship combined with loving service. This group meets at the Mayfair church building on the second and fourth Wednesdays of each month from 9:00 a.m. to 1:00 p.m. Guests at Shanon's House receive lap quilts or baby quilts. Shanon's House is located near Huntsville Hospital to house out of town family members of patients. This committee loves to wrap/cover people with Love. If this is your gift, we could use you!

**BEYOND THE THREADS MINISTRY - Christy Troxell christytrox@gmail.com 256.651.1671**

Our Beyond the Threads ministry was born out of the love for the craft of crochet, the desire to share it, and to bring others with a common interest together to form new friendships. The first meetings involved small gatherings to learn and fellowship. With people of all ages involved, everyone is welcome! The ministry has sent crocheted washcloths to various mission points, such as Honduras, South Africa & Baja, made/gifted afghans to those within our congregation, and completed several smaller outreach projects. Growing in numbers is what is most important to us at this time. More committed active members of this ministry, participating in completing weekly projects, means more productivity at a faster pace. If you can hold a pencil, Y.A.R.N. You Are Really Needed!

**DORCAS SEWING MINISTRY - Joan Allen jaallen1974@gmail.com 256.603.8975**

The Dorcas Sewing Ministry at Mayfair began in 2018. Our mission is to support local and worldwide missions through sewing. We strive to be like Dorcas in the Bible who was always doing good and helping others. Examples of what our ladies have made include hygiene kits so girls can attend school, clothing, and book bags. We also participate in sewing projects alongside the teens at Mayfair. Sewing and non-sewing jobs are available. If you would like to learn to sew, we can teach you. This ministry meets on the first Thursday of each month from 9am to noon in the Garden Room.

**SISTERS SERVING SISTERS (SSS) - Iris Warren mewarren1@aol.com 256.509.0352**

Sisters Serving Sisters is an informal group of widows and single ladies with the purpose of providing opportunities for social activities and a means by which they can meet and get to know others who share these unique challenges. We have found this to be a redemptive way to assist others who are hurting, as those who have already met those challenges can provide support and encouragement to others. We can link them to resources within the church that can be very helpful as well. We would love to have your participation in this ministry of care.

**MEN OF GOD - Shane Stromei shane.stromei@gmail.com 615.483.0300**

The Mayfair "Men of God" Ministry exists to bring honor and glory to our Lord and Savior Jesus Christ through the Equipping, Engaging, and Encouraging of men to be "Men of God" as the Holy Spirit leads. This ministry equips men with opportunities for spiritual growth along the lines of 2 Timothy 2:2. As the author Patrick Morley says, "A main purpose for equipping us is to send us to reach others who will, in turn, reach still others. In other words, spiritual multiplication." We engage by creating opportunities where men can gather to build relationships and be involved in the work of the church (Hebrews 10:24, 1 Cor. 15:58). And we encourage by building up our brothers in Christ (1 Thess. 5:11, Rom. 1:12). Men, wherever you are in your walk with Christ, we invite you to participate in this ministry of biblical discipleship.

*As iron sharpens iron, so one person sharpens another.*

**-PROVERBS 27:17-**

## **SENIOR LIFE MINISTRIES**

**SENIOR LIFE - Keith Hodges   keith@mayfair.org   903.926.9248**

Senior Life is a ministry that combines the efforts of "The Joy Ministries," "Living Beyond," and the "Senior Help Committee." Its purpose is to strengthen, encourage, and comfort older members in the Mayfair congregation and provide opportunities to give or receive assistance to and from others as needed. We would love to have help with senior visits, rides, home repairs, hospital visits, and general housekeeping. There are so many ways you can help in this ministry as we seek to serve one another in love (Gal. 5:13).

**LIVING BEYOND - Frank and Diane Houck   fhouck793@gmail.com   256.658.6598**

This ministry was originally known as the Cancer Support Ministry, which was founded in 2002. In order to better support the broader needs of the body of Christ, this ministry was renamed the Living Beyond Ministry. We seek to provide encouragement and resources for families living with a diagnosis of cancer, heart / lung / kidney issues, strokes, same sex attraction, and nutrition problems, just to name a few. Those who have previously traveled these paths are available to encourage and support families as they discover what lies ahead. We provide hope, thoughtful reflection, and the courage of a chorus of individual patients and survivors. We invite people from a wide variety of backgrounds and experiences to assist us in our mission of support, nurture, and encouragement.

**JOY TRAVELERS - Frank and Diane Houck   fhouck793@gmail.com   256.658.6598**

In this ministry, we organize day trip outings for senior adults who don't get around much to have some fun and to enjoy some interesting sites. At times, we partner with a local Steady for Life team and travel with them on longer trips. If you'd like to help us plan fun events like this for our senior adults, we would love to talk with you!

**JOY BIBLE CLASS - Frank Houck   fhouck793@gmail.com   256.658.6598**

It was noticed a few years ago that there are members of the Body of Christ who cannot attend mid-week Bible classes due to their inability to drive after dark. This class was started to meet that need. The Joy Bible class meets every Wednesday afternoon at 1:00pm. Although our class is made up of many senior adults, all are welcome to attend. If you have a gift for teaching God's Word, we invite you to come share your gift with us!

*I will be your God throughout your lifetime until your hair is white  
with age. I made you, and I will care for you.  
I will carry you along and save you.*

## **MISSIONS MINISTRIES (LOCAL AND FOREIGN)**

**BAGS OF BLESSINGS - Jacob Hall    [jacob@mayfair.org](mailto:jacob@mayfair.org)    501.207.2204**

The Bags of Blessings ministry and Mission Thanksgiving ministry are two separate ministries with the same goal in mind: to spread the love of Jesus by providing meals to children in Madison County. The Bags of Blessing ministry extends throughout the school year, providing bags to children at Jones Valley Elementary and NOVA daycare center on a weekly basis. Our Mission Thanksgiving ministry is an annual effort to provide a Thanksgiving meal to 900+ families throughout Madison County. We need help with both of these ministries. For Bags of Blessings, we pack and deliver bags every other week. For Mission Thanksgiving, we count, pack, sort, and deliver almost every day of the week before Thanksgiving. We need specific help in the weekly packing, loading, unloading, and distributing Bags of Blessings on Wednesdays; and the annual packing and delivering of Mission Thanksgiving bags each November.

The New Life studies are for adults who have recently been baptized into Christ. The curriculum is divided into five studies to provide these new members with the scriptural foundations for their new walk with Christ. This is an essential part of discipleship to Christ and those who lead these studies will also grow in their knowledge of the Scriptures. For those who have a heart for teaching, discipling, and spending time with those who are new in their faith, this is a special ministry opportunity!

We are dedicated to serving families both in our congregation and in our community. We want every child to have a positive experience while in our care in an atmosphere of love. We are always eager to work with parents to promote success at school, home and as they grow and go out into the world. We have chapel weekly, led by our Mayfair Kids Ministry Team, Bible class each day in the classroom, music class weekly, as well as academics that stimulate interest and develop each child's personal capabilities. How can you be involved in this ministry? Volunteer to be an activity helper for special occasions! Adopt a classroom and stop by to visit during lunchtime! Adopt a teacher and send cards of encouragement on occasion! Greet parents/grandparents on special days like Grandparents Day! Bring a treat during Teacher Appreciation Week! We welcome your creativity to bless our students and staff and families!

**CHILDHAVEN - Tom Pruett    coachtompruett@gmail.com    256.755.1598**

**CUBA MISSIONS - Phillip Allen    paa5443@gmail.com    256.426.9654**

Cuban Missions at Mayfair was started many years ago through the courageous and faithful work of Gary Bradley and Larry Brannan. Today, Cuban Missions at Mayfair continues the great work they started by focusing on supporting the work of the Lord in Cuba through spreading the love and message of Christ. We accomplish this mission primarily by teaming with numerous Churches of Christ in Cuba through individual preacher support, financial aid, humanitarian and medical aid, mission trips and prayer. Multiple Bible classes at Mayfair support individual preachers, and individual church members contribute money to support Churches and Church members all over the country.

**MISSION LAZARUS - Carlos and Chloe Jimenez Carferjimenez@gmail.com  
503.268.9409**

Mayfair partners with Mission Lazarus in Honduras to participate in both medical and humanitarian relief missions in Southern Honduras. Through different initiatives, Mission Lazarus seeks to spread the love of Christ by meeting crucial needs in a variety of ways. This includes working in The Refuge children's home, medical clinics, leather and wood working, a private school, coffee farm, etc. There are so many ways to get involved! **SCOTLAND MISSIONS - Glenna McRight glenna.mcright@gmail.com 256.509.0186  
Conrad McRight tcmcright@gmail.com 256.541.5192**

Mayfair has been actively involved in the Scotland Missions since 1987. The primary mission is to encourage and engage with the members of the Cumbernauld Church of Christ. Each trip includes a Gospel meeting, held from Sunday morning through Wednesday evening, aimed at spiritual enrichment and community building. In addition to the Gospel meeting, Mayfair conducts a Holiday Bible School (VBS) from Monday to Thursday mornings. This program attracts a significant number of children, many of whom come from families that do not regularly attend church. During the VBS sessions, we have the opportunity to meet the parents when they drop off and pick up their children. These interactions provide a valuable chance to connect with the parents, share conversations, and extend personal invitations to the Gospel meeting in the evenings. We would love for people to know more about Scotland and the work that is being done for the Kingdom!

**BAJA MISSIONS - SAN QUINTIN - Leland Sheldon leland.sheldon@outlook.com  
256.808.6729**

Mayfair partners with the Iglesia de Cristo in Lazaro Cardenas, San Quintin as part of the overall work of Baja Missions. At the most basic level, we provide financial support for the ministers and operations of the church. But the real ministry is built upon years of relationships established on our shared foundation that is the relationship we share with Jesus Christ as our Savior. This has been accomplished through annual multigenerational family and teen mission trips consisting of service through medical, dental, construction, children's VBS, food relief, home visits and nightly Gospel meetings. We would love for you to consider being a part of one of these trips!

**2820 MISSIONS - Rick Norton nortonra77@gmail.com 256.468.0408**

The 2820 ministry is an opportunity to reach out to the homeless and under-privileged of Huntsville. Through worship, meals, showers, and various Bible study opportunities, we reach out to the community with the Good News! The homeless will tell you that finding a place to attend church services in Huntsville is difficult at best. At 2820, we welcome EVERYONE. No matter what your background, washed or unwashed, rich or poor, no matter your church affiliation, everyone is welcome. We try to give the homeless a sense of community, of belonging, BUT most importantly, we seek to introduce them to Jesus. We need help in areas of preaching, teaching, song leading, mentoring, providing meals, help with ShowerUp, and more!

**SOUTH AFRICA - Tom Gates Tom.gates@reagan.com 256.651.3441**

Mayfair's South African mission efforts date to the 1970s. Over the years, we have supported evangelists and congregations across this huge country, but today we focus support in the Cape Town area on the western Atlantic coast. Here, we support the 150-member Eastridge congregation in the low-income Mitchell's Plain suburb. And we work very closely with Rohan Jones and his wife Sandra in efforts to plant and edify churches, train leaders and teachers, and provide benevolence to the poor in the Cape Town area as well as in other parts of South Africa, Zambia, and Namibia. You can get involved by praying for all brothers and sisters in South Africa, including Rohan and Sandra Jones, sending emails of encouragement to the Joneses, remembering the South African missions when financial needs arise for assistance with benevolence, providing Bibles, and other needs that arise, and considering ways to support potential future mission trips to South Africa!

**WESTLAWN IGLESIA DE CRISTO - Alfonso Sanchez idc.westlawn@gmail.com 256.348.1943**

Westlawn is Mayfair's local ministry to the Latino / Spanish-speaking community. Our mission is to share the gospel of Jesus to the Hispanic community in the city of Huntsville through the love and good works expressed in each of the activities we have scheduled during the year. **SPANISH FOR MISSIONARIES - Russell Smith rsmith53034@gmail.com 256.679.9503**

Whether you're preparing for a mission trip or just want to speak with your neighbor, make 2025 the year you finally learn Spanish! This class will also include some visits to Westlawn and other opportunities to get out and practice Spanish in our community. If you would like to help out, get involved with this ministry, or if you have any questions, please contact me!

**RUSSIA MISSIONS - Nobie Stone stone.nobie1@gmail.com 256.665.2153**

The Neva Church has a tremendous footprint throughout Russia. They provide educational, teaching, worship and musical materials to churches throughout Russia. Their preacher-training school was recently accredited by the Russian government. They also offer retreats each year for young adults, teens, and families with children. How can we help? Pray for the churches in Russia and for their efforts to reach out to non-members. Another easy way to help is to "Like" their material on YouTube, and you view their daily Bible Reading Marathon at <https://www.youtube.com/@biblemarathon25>.

**BELIZE MISSIONS - Doug Smith doug@mayfair.org 256.698.4419**

Mayfair has a rich history in the Toledo District of Belize. Dr. Eugene and Kathleen Tate and Lem and Jo Tipton began taking medical, dental, and evangelistic teams to Belize many years ago. Today, our efforts focus more on outreach and evangelism as we lead gospel meetings and reach out to the young adults, teens and children in the area. We would love for you to join our next mission team to see this work for yourself. Even if you can't make the trip with us, we could always use some help on the planning and preparation side of things.

**STACYS IN HONDURAS - Jon Stacy    stacysinhonduras@hotmail.com**

Our family lives and serves alongside the Iglesia de Cristo in Barrio Belén, SRC. We are intentional about evangelism, study, discipleship, and fellowship especially focusing on the youth and young adults in our circle of influence. Using different settings to make these connections, we are able to dig into the lives — needs, struggles, desires, and triumphs — of our younger brothers and sisters. You can get involved by praying for our ministry, covering the cost of a weekly Coffee and Prayer or youth group Bible study/meal, or sponsoring low-income teens in paid activities. We would also love to have you come and experience first-hand the work we do and meet the people that we love so much!

**LAKWOOD CHURCH - Tim Smith    lakewoodcoc1@yahoo.com    256.539.0712**

Lakewood Church of Christ is committed to Kingdom business, where we worship and serve God through active ministries focused on bringing souls to Jesus and glorifying Him. Our ministries include Singles Abiding in the Lord's Truth (S.A.L.T.), Producing Light Under God (P.L.U.G.) for young adults, a Couple's Ministry, Men on a Mission, Sister 2 Sister, a Youth Ministry growing through our Endzone events, College Ministry, and Grief Support for those in need of healing. We are actively seeking dedicated teachers for Pre-K through 5th grade, people to work with our youth department, and creative ideas to design a KidZone on the second floor for a fun, faith-filled children's space. We are also expanding our Audio/Video Ministry to connect through various media and seeking new strategies to strengthen our College Ministry and reach more students. Join us at Lakewood as we grow in Christ, strengthen one another, and share His love with the world!

**WORLD BIBLE SCHOOL - Phil Walker    pnjwalker@bellsouth.net    256-614-4763**

Mayfair's World Bible School (WBS) ministry is based on Mark 16:15, "Go into all the world and preach the Gospel." This ministry consists of conducting evangelistic Bible studies via correspondence courses and has impacted countless lives around the world. Since 2004, Mayfair's WBS has enrolled over 100,000 students; more than 15,000 of these have given their lives to Christ in baptism. Currently, we have a roster of approximately 40-60 teachers in our World Bible School ministry. Additional personnel would enable us to reach even more souls with the Good News and would require only minimal training. We would also love to increase local interest in WBS, to include working with our Spanish-speaking congregation.

*Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you.*

**RHYTHM MINISTRY (Young Adults & Families) - Matt Flynn [matt@mayfair.org](mailto:matt@mayfair.org) 256.990.4580**

Mayfair's Ministry for Young Adults and Families is called our Rhythm Ministry. We are practicing the rhythms of Jesus together—from solitude to community to ministry. This new ministry is still being shaped, but we are seeking to meet the unique needs of Mayfair's college students, young professionals, young marrieds, and families by facilitating opportunities for each of these groups to connect with our God, one another, and the purpose for which God has created us. We are eager to continue to discern where the Spirit is leading this ministry, and look forward to putting together a team to dream with us. If you feel a calling to this ministry, we would love to find a place for you!

Mayfair Kids Ministry covers our children from babies up through 5<sup>th</sup> grade.

Mayfair Kids Ministry is a great place to serve! We provide Bible classes for babies through fifth graders on Sunday mornings and Wednesday nights. We consider this to be one of our most important areas of ministry, so we choose curriculum materials that are both biblically sound but also applicable, relevant, and engaging. We also provide a special time of age-appropriate worship called Celebration Station on Sunday mornings in four locations for 2 year olds, 3-4 year olds, and K-2nd Graders. We need gifted teachers and helpers in order to minister to these children. We also provide service events, outreach events, and fellowship events for our toddler, preschool, and elementary departments and we need an army of volunteers for each event! And we also understand that our ministry extends to parents as well. With this in mind, we seek to provide and equip you with resources and opportunities for us to minister to your children together. We understand that you are trusting us with your most prized possession, and we take that responsibility seriously. Because of this, we require a strict application process that includes a background check for all children's ministry teachers and volunteers, and we are constantly evaluating how we can make our ministry area more safe and secure. For your children, our goal is to create an engaging, warm, and safe environment.

No matter what your gifts might be, there is definitely a place for you use those gifts for God's glory in our Mayfair Kids Ministry!

Mayfair Youth Ministry is a Christ-centered community where students grow in faith, build meaningful relationships, and discover their God-given purpose. It's a place where middle and high schoolers can ask questions, worship, serve, and find encouragement in a world that often feels uncertain. Through Bible teaching, small groups, events, and outreach, MYM helps students deepen their relationship with Jesus and live out their faith boldly. It's not just a program—it's a movement of young people who love God, love others, and seek to make a difference in their schools, families, and communities. If you have a heart for making disciples in a fun, relational way, we would love to help you use those gifts in our Youth Ministry!

## **MAYFAIR TEEN GIRLS MINISTRY Olivia Messer (Girls) olivia@mayfair.org 843.991.5765**

Mayfair Girls Ministry provides diverse opportunities for spiritual growth, discipleship, service, and Bible study for teen girls (6th-12th grade). We would like each teen girl to have at least seven women from Mayfair they would consider a mentor, someone who is actively discipling her: a huddle leader, an encourager, a teacher, a prayer warrior, or all of the above. We would also love for our Taste + See effort (a ministry of hospitality and inter-generational connection) to become more widespread throughout Mayfair. We would love for more women to be involved with this activity with our teen girls.

**Kids Library (downstairs) Dana Terry dterry0715@gmail.com 256.541.2224**

We have two libraries available at Mayfair. Our upstairs library is located near the adult education wing. This collection is filled with a variety of resources, ranging from the academic to the inspirational. Our downstairs library is for children, located near the Mayfair Kid Check desk. Our goal is to have materials available that can be used to help all of our members grow closer to the Lord. Volunteers are always needed as we seek out new additions to these resources.

## **LADS TO LEADERS - Orry Moody orrymoody@gmail.com 256.616.8604**

Since its foundation in 1968, the mission of Lads to Leaders/Leaderettes has been to develop youth into Christian leaders. With more than 20,000 participants today, L2L is the oldest and largest leadership training program used by the churches of Christ. It is a program to help prepare youth and adults for service and leadership in the Kingdom of God. We need volunteers to help lead and mentor youth in a variety of areas. More importantly, we need you to consider investing in your children's spiritual growth and leadership by getting involved in L2L.

The Mayfair Emergency Security Team (MEST) is a ministry that provides an array of services for the Mayfair Church family. The team provides security watches during worship services, events, weddings, and funerals. This is done by monitoring cameras, radios, weather, and activity throughout the building and in the parking lot. To be a member of the Security Team, you will need to submit to a background check and be approved by the staff and eldership.

**SMALL GROUPS - Lane Widick    lane@mayfair.org    615.438.5684**

Community happens in small groups. We have a variety of small groups you can be a part of at Mayfair. The goal of small groups is to have a period of time where people can study together, laugh and cry together, pray with each other, and enjoy fellowship and meals with each other. Most of our groups meet on Sunday evenings, but some meet at various times throughout the week. We are always looking for leaders to start new small groups. And if you're not plugged in with a small group, we would love to help you find a place to connect. For many of our members, these small groups provide an essential place where prayer requests are shared and our relational bonds are strengthened. We would love for you to be a part of one of our small groups!

**TRANSPORTATION - Brandon Frazier    bfhfr84@gmail.com    256.763.1290**

Mayfair's Transportation Ministry exists to support the transportation needs of our other ministries. Helping with the Transportation Ministry is easier than you might think. The small bus that is used currently does not require a special drivers license and is about the same size as a small moving truck. You could help drive on trips for the Youth Ministry or you could help with our weekly Sunday morning pickup for elderly members! Don't be afraid to sign up thinking that you would have to drive all the time! Volunteering to drive once every couple months or even just being available as a backup in case the scheduled driver gets sick would be helpful.

Driving isn't the only way to help with this ministry. We like to keep the bus clean to represent the church well. It would be helpful to have someone who could wash the bus a few times a year. If two or three people worked together, it could be nice and clean in just an hour or two. With a couple groups like that, each group would only need to wash it once a year. We would love to have you work with us in this ministry!

**UCSC (University Christian Student Center)  
Frank Cantrell    fdcantrell@gmail.com    256.617.0640**

At the University Christian Student Center, our mission is to strengthen and encourage students on the Huntsville college campuses, reach out to those who do not know Jesus, and send out future leaders of the church. We are in need of prayer partners, Bible study leaders, friendly faces, project coordinators, financial partners, designers and more! Our goal is to develop a robust ministry that incorporates members from various congregations that is built to last. We need people to host, people to lead, and people to join! If you're interested in any of those things, let us know!

The technology ministry operates in three areas: 1) Evaluating and applying technology to provide solutions and/or improve operational efficiency for Mayfair, Lakewood and Westlawn administrative operations; 2) Providing technical solutions and support for other Mayfair ministries; and 3) Providing support to Mayfair members in the adoption and use of various technologies, i.e., aid to senior members using member directory, emails, computers, phones.

Having other like-minded individuals with a desire to serve is always welcome. There are certain areas that could use additional help if the right skill set is available. World Bible School needs someone that can provide technical support and management for their Filemaker database as well as maintaining the computers they use. We would like to find people that have the right technical skills and can take ownership of a given task. Our Breeze database could be improved significantly if we had persons that actively focused on making sure member info and photos were updated regularly and that our member directory was synced to our database.

**PRAYER MINISTRY Pat McRight pat@mayfair.org 256.763.8771  
Jason Bybee (jason@mayfair.org), Lane Widick (lane@mayfair.org), Mike Stamps (jmichaelstamps@gmail.com).**

"My house shall be called a house of prayer for all nations" (Isaiah 56:7). This ministry seeks to foster a bold and vibrant prayer life within the Mayfair church family by organizing special prayer meetings on a regular basis. We pray very specifically for missionaries, the growth of the Kingdom, government leaders, those in danger, those who are suffering, victory over dark forces that war against us (Ephesians 6:12), individual needs, and current events. We also offer joyful prayers of thanksgiving and adoration. We plan to expand this ministry to include online prayer requests from non-members as an evangelistic outreach. We need volunteers who are willing to help maintain and distribute prayer lists, maintain our prayer journal, help organize prayer meetings, pray at home, etc. If your gifts fall more on the contemplative side, there is a place for you in our prayer ministry.

*Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving, let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.*

**DISCIPLESHIP - Lane Widick**    [lane@mayfair.org](mailto:lane@mayfair.org)    **615.438.5684**

As disciples of Christ, our goal is to always be learning about Christ, always be serving Christ, and always be focused on Christ. At Mayfair, we do this through small group studies, service projects, classes, relational connections and more. We hope to launch one of our newest endeavors in the near future: Discipleship University. This will provide even more equipping and training classes on a deeper level for our members and guests to grow in their walk with the Lord. Discipleship is deeply woven into so many of our ministries here at Mayfair, but we would love to tell you more about how you can be a part of this exciting work!

**AGAPE - Danny Holmes**    [danny@agapecares.org](mailto:danny@agapecares.org)    **256.679.0056**

Since 1969, AGAPE of North Alabama has been dedicated to serving thousands of children and families with genuine love and compassion. The word "AGAPE," derived from the Greek term for "unconditional love," reflects our core mission of placing children in safe, loving Christian homes. Our skilled social workers offer services within families' homes, guiding vulnerable children on their journey to healing. Mayfair has been a longtime partner with AGAPE.

**HIS WAY - Greta Ashburn**    [greta@hiswayinc.org](mailto:greta@hiswayinc.org)    **256.859.7377**

Since 2007, His Way has been helping men overcome addiction to drugs and alcohol. We are a Christ-centered, residential program that includes proven recovery materials and classes, individual and group counseling, life skills coaching, and professional development and assistance. Perhaps our greatest tool to help in this fight is the His Way community itself. Our family atmosphere bonds together over 50 residents, dedicated volunteers, and committed staff members against a common enemy.

**CREATIVE ARTS MINISTRY - Bob Rieder**    [riederbob6@gmail.com](mailto:riederbob6@gmail.com)    **256.698.2025**

This new ministry is focused on utilizing the creative and artistic gifts of our members for the sake of the Kingdom. Drawings, paintings, photography, crafts, writings, and similar forms of expression are encompassed by this ministry. Possible projects might include inviting members to create works on a Biblical theme for a special church event, to contribute their works for display at a church "creative arts fair," to loan their works for display at area assisted living facilities for residents to enjoy. The overall purpose is to encourage members to express their faith through the creative aptitudes they have been given in a way that draws others to God. If you're gifted in this way, we need your help as we begin this new ministry!

*The Lord has given them special skills as engravers, designers, embroiderers in blue, purple, and scarlet thread on ne linen cloth, and weavers. They excel as craftsmen and as designers.*
